Dear Sirs:

Re: Issue of Short Term Promissory Notes

We have acted as counsel to Enbridge Pipelines Inc. (the “Corporation”) in connection with the proposed issue and sale by the Corporation of short term promissory notes (the “Notes”). Each Note shall mature not more than 364 days from its date of issue and shall have a denomination of not less than \$100,000 in lawful money of Canada or the equivalent thereof on the date of purchase in other currencies and otherwise have the terms more particularly described in the Corporation’s information memorandum dated February 28, 2007, of which this opinion forms part (the “Information Memorandum”). The Corporation has limited the aggregate principal amount of Notes which may be outstanding at any time to \$300,000,000 in lawful money of Canada or the equivalent thereof and the Notes are not convertible or exchangeable into or accompanied by a right to purchase another security.

Scope of Review

We have examined originals or copies, certified or otherwise identified to our satisfaction, of such documents, records of corporate proceedings, certificates of officers of the Corporation and of government officials and such other material as we have considered necessary or appropriate for the purposes of this opinion. In such examination, we have assumed the genuineness of all documents submitted to us as originals and the conformity to the originals of all documents submitted to us as certified or conformed copies or facsimiles.

As to various questions of fact material to our opinion which we have not independently verified, we have relied upon certificates of, or letters from, government officials, the Corporation or its officers.

In giving the opinions set forth below with respect to provinces other than Alberta, British Columbia, Ontario and Québec, we have relied upon opinions of counsel in the provinces of Saskatchewan, Manitoba, New Brunswick, Newfoundland and Labrador, Nova Scotia and Prince Edward Island. We believe you, and we, are entitled to rely on such opinions. To the extent that such opinions are based on any assumption or are made subject to any limitation or qualification set forth in such opinions, this opinion is based on the same assumption and made subject to the same limitation or qualification.

We are solicitors qualified to practise law in the provinces of Alberta, British Columbia, Ontario and Québec. This opinion is limited to the laws of the Province of Alberta and the federal laws of Canada applicable therein, except for (i) the opinion in paragraph 4 below which is with respect to the laws of each of the provinces of Canada subject to and rendered, in the case of the opinions referred to in the previous paragraph, in reliance on the opinions of

Vancouver, Calgary, Toronto, Ottawa, Montréal, Québec and London, England

counsel described above, (ii) the opinion expressed in paragraph 5 which is limited to the laws of the Province of Québec, in each case as such laws are in force at the date hereof, and (iii) the opinion in paragraph 6 which is also with respect to the laws of the provinces of British Columbia, Ontario and Québec and the federal laws of Canada applicable therein, in each case as such laws are in force on the date hereof.

Qualifications

With respect to the opinion expressed in paragraph 3, the enforceability of the Notes may be limited by: (a) any applicable bankruptcy, insolvency or other similar laws affecting the enforcement of creditors' rights generally; (b) the qualification that the granting of equitable remedies such as specific performance and injunction are in the discretion of the court having jurisdiction; (c) the equitable or statutory power of the court having jurisdiction to stay proceedings before it and the execution of judgments; (d) the qualification that the interest rate specified in an interest bearing Note may not be enforceable after a judgment is obtained against the Corporation for the amount owing thereunder; (e) with respect to Notes payable in a currency other than that of Canada, the *Currency Act* (Canada) which provides that judgment in courts in Canada may be obtained only in Canadian currency; and (f) the provisions for the payment of interest under any Note may be unenforceable if "interest" is to be received under the Note at a "criminal rate", in each case within the meaning of section 347 of the *Criminal Code* (Canada).

We have assumed that any "market intermediary" (as such term is defined in the *Securities Act* (Ontario) or the *Securities Act* (Newfoundland and Labrador), as applicable), which participates in a trade of the Notes in Ontario or Newfoundland and Labrador is registered under the applicable securities legislation of Ontario or Newfoundland and Labrador, as the case may be, in a category permitting it to trade in Notes in Ontario and Newfoundland and Labrador and that any such market intermediary has complied with all such applicable securities laws applicable to its registration in connection with the trades of the Notes in Ontario and Newfoundland and Labrador. We have also assumed that any agent acting in connection with the offer and sale of the Notes that is a registered dealer or broker under any applicable securities laws has complied with the relevant provisions of such applicable securities laws and the terms of such registration in connection with such offer and sale and that at the time of any trade in the Notes hereafter referred to no order, ruling, decision or condition of any agent's registration is in effect that restricts any trades in the Notes or that affects any person or company that engages in any such trades, including, without limitation, cease trade orders and conditions of registration directing that any dealer registration exemption does not apply to any person or company.

Opinions

Based upon and subject to the foregoing, we are of the opinion that:

1. The Corporation is a corporation incorporated and subsisting under the *Canada Business Corporations Act* and has the corporate power to borrow money and to create, issue and sell the Notes.
2. All necessary corporate action has been taken by the Corporation to authorize the borrowing of money through the sale of the Notes and the creation, issue and sale of the Notes.
3. The Notes, when issued in the form of the specimen copy set forth in the Information Memorandum, and when signed by the manual or facsimile signatures of any two of the President, the Vice Presidents, the Treasurer, the Assistant Treasurer, the Controller, the Secretary and the Assistant Secretary and, in the case of Notes issued in certificated form only, countersigned by either manual or facsimile signature on behalf of the Corporation, and when delivered by or on behalf of the Corporation for value, will constitute valid and legally binding obligations of the Corporation, enforceable in accordance with their respective terms.

4. The Corporation may through duly registered dealers (or, in the case of Prince Edward Island and Manitoba, through registered brokers) or through persons exempt from registration in the applicable province offer and sell the Notes in each province in Canada without making any filing under, or registering with, any governmental or public body or authority pursuant to the securities legislation in each of the provinces of Canada, except for the filing without delay with the Autorité des marchés financiers of this Information Memorandum and any other disclosure document delivered to purchasers of the Notes in Québec, provided that:

(a) the Notes have a rating at or above one of the following rating categories (each an “Approved Credit Rating”) or a category that replaces one of the following rating categories issued by an approved credit rating organization, as indicated below, or any of their respective successors (each an “Approved Credit Rating Organization”):

<u>Approved Credit Rating Organization</u>	<u>Approved Credit Rating</u>
Dominion Bond Rating Service Limited	R-1 (low)
Fitch Ratings	F1
Moody’s Investors Service	P-1
Standard & Poor’s	A-1 (low)

(b) no Approved Credit Rating Organization has rated the Notes in a rating category that is not an Approved Credit Rating; and

(c) there has been no announcement by an Approved Credit Rating Organization of which the Corporation is or reasonably should be aware that the rating of the Notes to which the Approved Credit Rating was given may be down-graded to a rating category that would not be an Approved Credit Rating.

5. The French language text of the Information Memorandum and the specimen forms of the Notes is, in all material respects, complete and proper translations of the respective English language texts thereof.

6. The Notes offered hereby, as of the date hereof, will not be precluded as investments, subject to compliance with the prudent investment standards and general investment provisions and restrictions of the statutes referred to below (and, where applicable, regulations or guidelines thereunder) and, in certain cases, subject to the satisfaction of additional requirements relating to investment or lending policies, procedures or goals and, in certain cases, the filing of such policies, procedures or goals, under the following statutes:

- Insurance Companies Act (Canada)*
- Pension Benefits Standards Act, 1985 (Canada)*
- Trust and Loan Companies Act (Canada)*
- Financial Institutions Act (British Columbia)*
- Employment Pension Plans Act (Alberta)*
- Insurance Act (Alberta)*
- Loan and Trust Corporations Act (Alberta)*
- Trustee Act (Alberta)*
- Alberta Heritage Savings Trust Fund Act (Alberta)*
- Insurance Act (Ontario)*
- Pension Benefits Act (Ontario)*

an Act respecting insurance (Québec) (in respect of insurers other than guarantee funds)
Supplemental Pension Plans Act (Québec)
an Act respecting trust companies and savings companies (Québec) (for a trust company investing its own funds and deposits it receives and a savings company investing its funds)

Yours very truly,

(signed) "McCarthy Tétrault LLP"
