TD Securities

Investment Recommendation Disclaimer for Institutional and Commercial Communications

For the purposes of this disclaimer, "TD Securities" means (as applicable) TD Global Finance unlimited company, TD Bank Europe Limited, TD Securities Inc., TD Securities (USA) LLC, TD Execution Services Limited and The Toronto-Dominion Bank, London Branch. This communication shall not be distributed or duplicated in whole or in part by any means without the prior written consent of TD Securities. The information contained in this communication is not intended for distribution to, or use by, any person in any jurisdiction where such distribution or use would be contrary to applicable laws or regulations, or which would subject TD Securities to additional licensing or registration requirements.

This communication includes information that constitutes an Investment Recommendation, as defined by Article 20 of the EU Regulation on Market Abuse (Regulation (EU) 596/2014 and any amending or associated regulations) (or, if applicable, its UK domestic law equivalent). This communication is for informational purposes only. It is not intended as an offer or solicitation for the purchase or sale of any financial instrument, investment product or service, or as an official confirmation of any transaction. TD Securities is not providing any professional or advisory services relating to the matters described herein. Neither TD Securities nor any of its businesses or representatives makes any representation or warranty, express or implied, as to the accuracy or completeness of any information contained herein, or that it has been independently verified by TD Securities. TD Securities does not accept any liability for losses, whether direct or consequential, resulting from the use of this communication.

Views or opinions expressed in an Investment Recommendation may not reflect the views and opinions of the TD Equity Research Department. Employees of TD Securities may have expressed many and varied views over the past 12 months, including contrary views. All opinions and estimates in this Investment Recommendation are, regardless of source, given in good faith. They may only be valid at the stated date and time of this Investment Recommendation and are subject to change without notice.

Historic information regarding performance is not indicative of future results and investors should understand that statements regarding future prospects may not be realized. All investments entail risk, including potential loss of principal invested. Performance analysis is based on certain assumptions, the results of which may vary significantly depending on the modelling inputs assumed.

Market valuations are believed to be reliable, but TD Securities does not warrant their completeness or accuracy. Different prices and / or valuations may be available elsewhere and TD Securities suggest that valuations from other sources be obtained for comparison purposes. Any price or valuation is based on TD Securities' judgment and is subject to change without notice. Actual quotations could differ subject to market conditions and other factors.

TD Securities makes no representation as to any tax, accounting, legal or regulatory issues. Investors should seek their own legal, financial and tax advice regarding the appropriateness of investing in any securities or pursuing any strategies discussed herein. Investors should also carefully consider any risks involved. Any transaction entered into is in reliance only upon the investor's judgment as to financial, suitability and risk criteria. TD Securities does not hold itself out to be an advisor in these circumstances, nor do any of its representatives have the authority to do so.

Conflicts of Interest

TD Securities is required, in accordance with applicable laws and regulations, to maintain effective organisational arrangements to take all reasonable steps to identify, prevent, monitor, and manage conflicts of interest.

To mitigate possible conflicts of interest and prevent the misuse of material non-public information, the authors of this publication are subject to internal rules and restrictions. These rules and restrictions include but are not limited to appropriate timing of publications, disclosures of interest, inducements and inappropriate influences, remuneration of analysts and personal account dealing in accordance with the TD Securities Personal Trading Policy. Research recommendations must be based on a reasonable foundation of adequate and accurate information and represent a well-reasoned evaluation of known facts.

For the avoidance of doubt, TD Securities may have already effected transactions based upon the information contained in this communication or may effect transactions contrary to the information contained in this communication. TD Securities may fill client orders based on information contained in this communication from its proprietary positions, including positions acquired in anticipation of such client orders. In addition, in the ordinary course of business, TD Securities may have positions (long or short) and effect transactions or make markets in securities or other instruments mentioned herein, or provide advice or loans to, or participate in the underwriting or restructuring of the obligations of, issuers mentioned

herein, all without regard to the effect of such activities on the information contained in this communication. TD Securities may have provided or may provide investment banking, capital markets or other services to any companies referred to in this communication.

Explanation of Recommendations

The term 'BUY' indicates that the author expects the price may increase over the stated time period. The term 'SELL' indicates that the author expects the price may decrease over the stated time period. The term 'HOLD' indicates the author expects no change to the current position. However, this depends on market conditions as well as other factors, which may be relevant at the time. This price move may be as a result of a move in sentiment, market conditions, currency, or other specific events. The Investment Recommendation does not constitute investment advice or a personal recommendation.

For the basis of valuations or methodologies or further information, and the underlying assumptions used to evaluate financial instruments or issuers or to set price targets please contact your TD sales representative.

A list of historical Investment Recommendations that constitute marketing communications, produced within the preceding 12 months is available to you on request. Quarterly information on the proportion of all recommendations falling into each category of recommendation (such as BUY/HOLD/SELL) and the proportion of Issuers corresponding to each of these categories to which any material services have been supplied is also available on request. Please contact your TD sales representative to request a copy.

This communication does not provide a sufficient basis for an investment decision and TD Securities makes no representation as to the suitability of any investment described herein. It does not have regard to the specific investment objectives, financial situation, risk profile or the particular needs of any specific person who may receive this communication. You should conduct independent due diligence when making an investment decision. For further information, please contact your TD sales representative.

The price, value of and income from any of the instruments mentioned in this communication can fall as well as rise. Any market valuations contained herein are indicative values as of the time and date indicated. All information contained in this communication is subject to change without notice and TD Securities does not assume any obligation to update the information. Subsequent events may have an adverse effect upon the outcome of any trade based on the information contained in this communication. While TD Securities may issue additional communications or material regarding the instruments and issuers discussed in this communication from time to time, TD Securities does not currently plan on doing so (unless otherwise indicated).

The Toronto-Dominion Bank, London Branch is authorised by the Prudential Regulatory Authority in the UK, and subject to regulation by the Financial Conduct Authority in the UK, and limited regulation by the Prudential Regulatory Authority in the UK. TD Bank Europe Limited is authorised by the Prudential Regulatory Authority in the UK and regulated by the Financial Conduct Authority and the Prudential Regulatory Authority in the UK.
