

Disclaimer for Institutional and Commercial Communications

This communication has been prepared by personnel of TD Securities solely for the use of sophisticated institutional and/or commercial clients. This communication shall not be distributed or duplicated in whole or in part by any means without the prior written consent of TD Securities. The information contained in this communication is not intended for distribution to, or use by, any person in any jurisdiction where such distribution or use would be contrary to applicable law or regulation or which would subject TD Securities to additional licensing or registration requirements.

This communication is for informational purposes only. It is not intended as an offer or solicitation for the purchase or sale of any financial instrument, investment product or service, or as an official confirmation of any transaction. TD Securities is neither making any investment recommendation nor providing any professional or advisory services relating to the matters described herein. Neither TD Securities nor any of its businesses or representatives makes any representation or warranty, express or implied, as to the accuracy or completeness of any information contained herein, or that it has been independently verified by TD Securities. TD Securities and its affiliates do not accept any liability for losses, whether direct or consequential, resulting from the use of this communication.

This communication is not a research report and, accordingly, is not subject to certain rules applicable to the publication and distribution of research reports. Views or opinions expressed herein represent the personal views of the writer, do not necessarily reflect the views of TD Securities or its affiliates, and may differ from the views and opinions expressed by the TD Securities Research Department. Employees of TD Securities may have expressed many and varied views over the past 12 months, including contrary views.

Historic information regarding performance is not indicative of future results and investors should understand that statements regarding future prospects may not be realized. All investments entail risk, including potential loss of principal invested. Performance analysis is based on certain assumptions, the results of which may vary significantly depending on the modelling inputs assumed.

Such market valuations are believed to be reliable, but TD Securities does not warrant their completeness or accuracy. Different prices and/or valuations may be available elsewhere and TD Securities suggests that valuations from other sources be obtained for comparison purposes. Any price or valuation constitutes TD Securities' judgment and is subject to change without notice. Actual quotations could differ subject to market conditions and other factors.

TD Securities makes no representation as to any tax, accounting, legal or regulatory issues. Investors should seek their own legal, financial and tax advice regarding the appropriateness of investing in any securities or pursuing any strategies discussed herein. Investors should also carefully consider any risks involved. Any transaction entered into is in reliance only upon the investor's judgment as to financial, suitability and risk criteria. TD Securities does not hold itself out to be an advisor in these circumstances, nor do any of its representatives have the authority to do so.

TD Securities and/or its affiliates may have already effected transactions based upon the information contained in this communication, or may effect transactions contrary to the information contained in this communication. TD Securities may fill client orders based on information contained in this communication from its proprietary positions, including positions acquired in anticipation of such client orders. In addition, in the ordinary course of business, TD Securities may have positions (long or short) and effect transactions or make markets in securities or other instruments mentioned herein, or provide advice or loans to, or participate in the underwriting or restructuring of the obligations of, issuers mentioned herein, all without regard to the effect of such activities on the information contained in this communication. TD Securities or its affiliates may have provided or may provide investment banking, capital markets or other services to any companies referred to in this communication.

No part of the compensation received by the author(s) of this communication was, is, or will be, directly or indirectly, related to the provision of specific recommendations or views expressed by the author(s) of this communication, or to other transactions or services provided by TD Securities to the issuer(s) discussed in this communication.

For other important disclosures regarding the issuer(s) and/or instrument(s) discussed in this communication - and for information regarding the organizational arrangements established by TD Securities to prevent and avoid conflicts of

interest with respect to the preparation of this communication and similar material, please visit the TD Securities [webpage](#).

This communication does not provide a sufficient basis for an investment decision and TD Securities makes no representation as to the suitability of any investment described herein. It does not have regard to the specific investment objectives, financial situation, risk profile or the particular needs of any specific person who may receive this communication. You should conduct independent due diligence when making an investment decision. For further information, please contact your sales representative.

The price, value of and income from any of the instruments mentioned in this communication can fall as well as rise. Any market valuations contained herein are indicative values as of the time and date indicated. All information contained in this communication is subject to change without notice and TD Securities does not assume any obligation to update the information. Subsequent events may have an adverse effect upon the outcome of any trade based on the information contained in this communication. While TD Securities may issue additional communications or material regarding the instruments and issuers discussed in this communication from time to time, TD Securities does not currently plan on doing so (unless otherwise indicated).

TD Securities Inc. owns or controls an equity interest in TMX Group Limited in excess of 1% of the issued and outstanding equity securities thereof.
